The Olympia Schools

Founded in 2007, The Olympia Schools is a comprehensive K-12 educational system established as an extension of the Dream House Educational System (since 2003). The Olympia Schools has grown into a robust college preparatory school with over a thousand students, providing a rich personalized curriculum and dynamic school experiences for students committed to reaching their full potential.

Olympia is proud to be a leader in the adoption of the latest educational methodologies and a pioneer in the implementation of competency-based learning in Vietnam. We strive to help our students become the next generation of global citizens by providing a global curriculum and access to the latest technology, as well as a strong focus on environmental sustainability and community responsibility. Students, parents and alumni alike also appreciate Olympia for our warm, welcoming atmosphere; friendly, mission- and value-driven staff; professional school counseling services; and food catering services that promote healthy eating habits and sustainable consumption.

Located in Dai Mo Ward of Hanoi, The Olympia Schools is in an ideal location for rigorous studies and a balanced development of athletic, creative, and social emotional skills.

Partner School:
Marianapolis Preparatory School (USA)

Founded in 1926, Marianapolis Preparatory School is an independent, co-educational, boarding and day school located in Connecticut (US) for grades 9-12 and postgraduates. a boarding school for Grades 8 through 12, located in Connecticut (US).

Marianapolis is a vibrant and energetic community of 400 students from 56 area towns, numerous states around the U.S., and over 20 countries worldwide. With various honors classes, 20 AP® courses, and over 100 electives, students are cultivated to think critically while being guided into mature and capable leaders.

Learning by doing and applying is a hallmark of a Marianapolis education through project-based learning platforms such as the Centers of Excellence, LEAP Week, and Experiential Learning. The Centers of Excellence allow where students to pursue a specialized diploma in a specific academic track that includes an internship, and culminates in a yearlong capstone independent study project. The three Centers are Business & Entrepreneurship, Civic Engagement & Service, and Innovation.

With over 40 clubs and organizations Marianapolis students have the capability to explore and expand their skills and interests. Students are exposed to numerous leadership opportunities focused on supporting the Marianapolis community and more specifically, the student body. Through leadership roles, students are prepared for life beyond Marianapolis. Faculty employ innovative educational practices to prepare each scholar for college life and beyond.
